

10.06.2021

The Central Library is organizing an online training session on “**Web of Science and EndNote**” on Tuesday **15.06.2021** at **12 noon**.

Purpose of the Session:

1. It will encourage the optimum usage of the e-Resources like Web of Science and EndNote available to the end-users.
2. It will enable the researchers to use the platform in a more effective manner in their research workflow.

Details of session:

**For Web of Science:**

- Citation analysis and reports, h-Index of authors & institutions
- Analysis of search results to find Top authors, journals, institutions, publications etc.
- Research output and impact on overall h-Index
- Impact Factor and its significance in research
- Various search methods and refine search options
- Tools available for disambiguation of authors and institutions
- Analyze and find the co-authors, access collaborations and find suitable funding agencies based on research area

**For EndNote:**

- Various methods of building a library in EndNote
- Ways of finding the best-fit /most suitable journal for a manuscript ready for publishing
- Creating various types of Groups and assigning/sharing references
- Adding annotations/notes and highlighting in full-text
- Writing citations & references using the ‘Cite-while-you-write’ feature

All Faculty member and student of DTU is requested to attend this please.
